

Onco Support

An Innovative, Potent, Immune Adjuvant

Onco Support is a complex nutraceutical and botanical blend designed to provide nutritional support for conditions of the immune system. Bio-active phytonutrients combined with specialized nutraceuticals function as biological response modifiers that enhance patient quality-of-life and vitality, as well as immune system resistance.

10.58 oz (300 gram) Powder

1 Scoop (1 tablespoon) Contains:

L-Glutamine (free form amino acid)	2500 mg
Kelp Powder (Ascophyllum nodosum)	760 mg
