

# Perio Care Rx

## Oral Care Gel for Dogs and Cats

Small-molecule lactoferrin

Perio Care Rx gel helps support normal gum recovery and enhance gum health. It contains small-molecule lactoferrin, a multifunctional protein with antimicrobial and antiviral properties. This formula's unique enzyme processing makes it highly absorbable and effective. It is alcohol free with no irritation.

.67 fl oz (20 ml) Gel

**Ingredients:**

High-concentration, small-molecule lactoferrin, whey protein.

**Directions For Use:**

Squeeze about 2-3 drops into mouth, each side or close to the irritated site, twice daily, or as recommended by your veterinary professional.
