

Amino B-Plex

Enhances Energy Metabolism and Vitality

Amino B-Plex supplies patients who are weak, inappetent, post-surgical or debilitated due to disease with beneficial amounts of B complex vitamins, iron, spirulina, and essential amino acids in a highly palatable format that is easy to administer to small sized patients. This formula has been designed using scientific principles to benefit and enhance vitality in those patients who are in need of metabolic support.

2 fl. oz. (60 ml) | 4 fl. oz. (120 ml) | 8 fl. oz. (236 ml)
