

Liquid Immuno

L-Lysine Combined with Immune-Enhancing Nutraceuticals

Delicious, Easy-to-Deliver, Chicken or Bacon Flavored Liquid

Liquid Immuno provides L-lysine and state-of-the-art nutraceuticals designed to promote optimal immune system function. The combination of L-lysine with larch arabinogalactan and reishi mushroom makes this a highly effective formula for many immune challenges. Liquid Immuno is delivered in a highly palatable, liquid format which will enhance compliance for small-sized, "fussy" patients.

2 fl. oz. (60 ml) | 4 fl. oz. (120 ml)

Amount per 2 ml:

| | |
|--|--------|
| L-Lysine (USP grade) | 500 mg |
| Larch Arabinogalactan (larix occidentalis extract) | 100 mg |
| Reishi Mushroom (ganoderma lucidum) | 50 mg |
| Lutein (bioactive carotenoid) | 3 mg |

Directions For Use:

For use in patients less than 5 lbs: 1 ml twice daily.
For use in patients greater than 5 lbs: 2 ml twice daily, or as recommended by your veterinarian.
