

Rx Essentials for Cats

Broad Based Nutritional Support

Rx Essentials features a full range of essential daily vitamins and organically chelated minerals, along with spirulina, kelp and milk thistle for the additional nutritional support that cats need. The powder is easily administered with wet or dry food. These formulas are ideal for the pet on a commercial diet, and are ideal companion supplements with Feline Minerals for those pets on home-prepared diets.

4 oz (113.4 g) Powder

1/2 Teaspoon Contains:
