

StrataClens Tris Keto Flush

Topical Antiseptic Solution for Cleansing and
Flushing of Ears and Skin

Ketoconazole 0.1%

StrataClens Tris Keto Flush is an antiseptic (anti-fungal) solution for gentle cleansing and flushing of ears and skin. It contains 0.1% Ketoconazole, Disodium EDTA, and Tromethamine, for the management of bacterial and fungal activity. Designed for use in dogs & cats.

12 fl. oz. (355 ml)

Directions For Use:

Shake well before use. Apply liberally to the affected area(s).
Apply twice daily or as directed by veterinarian. Use cotton or absorbent material to clean excess solution and wipe away debris.
Do not allow the animal to lick the treated area until dry to prevent ingestion. Wash hands after use.
